Project Title: 【Community Volunteer Support and Digital System Improvement Project】

Prepared For
Department of General Studies

Group	Submitted by	Student ID	Class Batch
D	Tong Ming Hui	B260082A	BoS26-A2

【Three Documents】
1. Project Concept Note | 2. Project Proposal & Implementation Checklist | 3. Implementation Log

How to use this document

Use the document in sequence. Complete **Document 1** before developing a full proposal. After the concept is reviewed, use **Document 2** to plan the project and confirm readiness. Use **Document 3** during and immediately after implementation to record what happened and what was learned.

Checkpoint	What to submit	Lecturer decision
1. Project idea	Project Concept Note	Proceed / Revise / Do not proceed
2. Full project plan	Project Proposal and Implementation Checklist	Approved / Revise / Not approved
3. Before implementation	Completed readiness checklist in Template 2	Ready to implement / Not yet ready

Important: Students must not begin the project until the lecturer has approved the proposal, and all required university, community partner, safety and consent arrangements have been confirmed.
